

Project Rezway

DESIGNER/MODEL FORM

Project Rezway is the Reservoir's annual recycle fashion show. Set for April 25, 2013, this event is a good way to promote recycling by showing how items can be reused and upcycled. Contestants compete for some great prizes.

The Deets

Apparel and accessories must consist of at least 75 percent recycled material, such as newspaper, cardboard, aluminum, unwanted household items, etc. Need some ideas for designs? See last year's designs at www.keeptherezbeautiful.org.

Categories for apparel are **high fashion**, **evening couture**, and **whimsical**. We are also offering a **"just accessories"** category; this is for designers entering only jewelry. For designers ages 16-18, there will be a **teen** category. You must be at least 16-years-old to participate as a designer or model. Entries in the apparel categories will be modeled on the runway; entries in the **"just accessories"** category will be set up on display and judged before the runway show. Apparel and accessories will be judged by the following criteria: **originality** (one of a kind design), **creativity** (in use of recyclable resources), **outfit design**, **difficulty** and **overall impression**.

Designers do not have to model clothes. A designer may enter an unlimited amount of entries. For each entry into an apparel category, a \$10 fee is required; for each entry in the **"just accessories"** category, a \$5 fee is required. This fee gives designers/models access to the event.

Day of Event (tentative)

4-5:30 p.m., Arrive for your complimentary hair and makeup by Russell's Hair Design

5:30 p.m., Runway practice

6:30 p.m., Event begins

7:15 p.m., Runway show begins
